## Peering Behind the Mask

### Marion Art Center Displays Cultural Folk Art

A stark, grave image of a bearded man stares indifferently from the wall at about eye-level. At first, the empty eye sockets seem hard and cold — but then the features seem to change, and the face suddenly appears friendly and welcoming.

Such is the dichotomy of the exhibit of masks, fabric and folk art now on display at the Marion Art Center.

The diverse display — which includes work from Africa, Central and South America, Southeastern Asia, Indonesia, and Japan — is from the private collection of Reverend Richard Kellaway of the First Unitarian Church in New Bedford and his wife, Jean. The couple ordinarily keeps these treasures in their Fairhaven home — which they've had to build an addition on in order to accommodate the numerous masks, dolls, puppets, clothing, and paintings. But this month they've loaned the exhibit to the Marion Art Center, which will feature the work through March 24.

"There are two kinds of collectors," Reverend Kellaway said. "Some people buy and sell portions of their collection to upgrade in quality, while the quantity remains the same. Then there are inveterate collectors who just keep adding to their collections. That's the way we are. It eventually reached a point where we had to build an addition to our home ... and there still isn't enough room."

Reverend Kellaway and his wife said they enjoy loaning the exhibit to various museums and cultural centers because it affords them a new way of viewing the artwork. They relish seeing someone who appreciates the novelty of one of their masks or unique paintings.

"I think it's wonderful to see other people (admire) things from the display and look at them as if for the first time," he said. "When you live with artwork, it becomes very much part of the background of daily life. Part of the thrill, for us, is seeing other people react to the exhibit."

As a travel agent, Jean Kellaway was responsible for arranging trips for both herself and her husband — and, in turn, setting them on the path to becoming ardent folk art collectors. Although the couple weren't big "art collectors" in the traditional sense, Reverend Kellaway found that folk art in other countries was too reasonable to pass up.

"I've been collecting most of my adult life," he said. "When we began to travel we found fascinating folk art in many places which people can afford at modest salaries. I think art in the United States can be terribly expensive. When we got to Mexico, for example, we found wonderful (artworks) at very reasonable prices."

Although the collection does include a variety of media, the bulk of the exhibit — and the most stunning part thereof — is comprised of masks. Though they hang immobile on a wall, most of the faces seem to take on a life of their own. Reverend Kellaway said his interest in masks stems from the fact that people use them to affect change.

"I think there's something mysterious about (masks)," he said. "Masking is a way people use to present themselves that is meaningful to them. It is an opportunity for them to take on different roles and characters ... and bring out certain experiences."

"I think people use masks as a way of touching the sacred element in their existence."

The show also include toys, sculptures, and other free-standing objects from the Kellaway's many trips to Mexico and other parts of the world. Saris, sarongs, kimonos will also be displayed. Some of the masks, costumes and animal items are also available for purchase, should you be interested in starting your own collection.

"It's sometimes difficult to part with many of the pieces," Reverend Kellaway admitted. "Mainly because there's usually a story that goes along with every piece. But my wife particularly loves the buying and selling aspect of collecting ... and we use the proceeds to purchase new works."

The Kellaway Exhibit of Masks, Fabric and Folk Art will be on display in the galleries of the Marion Art Center now through March 24. The galleries are open to the public Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. There is no admission charge. Please call 748-1266 for further information.

## Mattapoisett Selectmen's Meeting

*February 28, 1995*

*By Jennifer Ferreira*

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, February 28 at 7:30 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Secretary Melody A. Mills.

The board reconvened after an Executive Session with Town Counsel Thomas Crotty, Environmental Engineering and GeoTechnics, Inc. Senior Project Manager Thomas Quigley, Fire Chief Ronald Scott, and Water/Sewer Superintendent William T. Nicholson to discuss possible litigation with the town.

This evening began with an appointment with Board of Health members Daniel C. Lee, Jr., Robert M. Field, and Russell L. Bailey, along with Board of Health Agent Dale S. Barrows regarding the town's Environmental Report Card grade.

The Selectmen and the Board of Health were very concerned since they read an article this morning in *The Boston Globe* that stated the Town of Mattapoisett had recycled only 3 percent of their total waste last year. These figures are actually two to three years old, according to the Board of Health.

The current figure is actually 21 percent and rising with the new curbside recycling program.

"We didn't want the people in town to get the wrong percentages," said Dale Barrows. "The percentages will get higher as soon as there is one full year of curbside recycling."

Chairman DeCosta cited the following meetings scheduled throughout the week:

Under the Executive Secretary's Report, Ms. Mills noted that she had spoken to Linda Brownell at Brownell Boat Yard, Inc. in regards to the Selectmen putting some type of article in the time capsule, which will be added to the swordfish weathervane upon completion of renovations.

Ms. Mills also noted that the Mad Hatter Restaurant would like to open at 11:00 am on Sundays. It was decided to allow them to open at this time instead of the usual 12:00 noon.

Incoming correspondence for the week included:

• Letter from Representative William Straus in regards to Local Aid distributions for fiscal year 1996. Representative Straus noted that he has sponsored a resolution which would provide additional funding for local towns, including \$51 million in unrestricted lottery aid, \$195.9 million to fund the Education Reform Bill, and \$477 million in the Additional Assistance line item.

• The Town of Fairhaven submitted a letter to the board informing them of Mattapoisett's share (10 percent) of the sewer treatment facility and their related costs. It states:

week and approving the minutes of the February 14 meeting, Chairman Schaefer noted that the DPW's Spring Flushing Program is set to begin on March 13. DPW Superintendent Robert Zora informed the board that they will be advertising the program beginning March 6.

Under other DPW matters, the clean up at Silvershell Beach is proceeding as scheduled. The board held a formal "ground breaking" ceremony for the Sprague's Cove Stormwater Remediation project on Monday, February 27, despite the snow and icy weather.

Selectman Dickerson added that the reconstruction of the basketball courts will hopefully begin this spring. They are about \$3,000 short on funding for the project. Anyone interested in making donations can send them to Town Treasurer Debra Blanchette, c/o Marion Town House, 2 Spring Street, Marion, MA 02738. Please make checks payable to "Silvershell Beach Basketball Court Fund."

Under incoming correspondence for the week, the board received a letter of appreciation from resident Betsy Dunn, thanking Marion town employees for their assistance in her time of need. On February 2 Ms. Dunn's father took ill and passed away. She cited the "caring, efficient, and professional" efforts of the Marion EMT's, and added her

Pickles noted that said fees would total approximately \$250. Selectman Winters moved to waive all fees as requested, which was unanimously approved by the board.

The Buzzards Bay Action Committee (BBAC) next submitted a letter asking for assistance from the Board of Selectmen in lobbying the federal government to continue offering grants and funding to the BBAC for local projects. The Environmental Protection Agency's (EPA) representative on the Buzzard Bay Project's Steering Committee has proposed that all funds used to pay for the administration of the BBAC be cut and have local municipalities replace the approximated \$60,000 in revenue.

The BBAC's Executive Director, Dennis Luttrell, noted that the situation had a simple solution. "Essentially, all that needs to be done is to eliminate the hiring of a Stormwater Remediation specialist ... and the funding will be saved," he said.

The board agreed to support the BBAC for continued funding.

tion on making plans for future technological advancements.

State Representative William Straus sent a letter informing the board that he has sponsored a resolution which would provide additional funding for local towns, including \$51 million in unrestricted lottery aid, \$195.9 million to fund the Education Reform Bill, and \$477 million in the Additional Assistance line item.

The state Executive Office of Environmental Affairs submitted notification to the Town of Marion that they had received a grade of C on the annual Recycling Report Card. Marion reported a recycling rate of 13 for the year, placing it on average with other communities statewide.

At 7:20 pm, the board met with Craig Parker of the Marion Police Brotherhood, James Pelletier of the Admit One company, and other members of the Police Brotherhood to discuss a summer concert/fundraiser to be held at Silvershell Beach. Mr. Parker asked the board's permission to utilize Silvershell

Beach on Saturday, July 1, for an evening concert featuring the bands Code Three and The Drifters. The concert will be held from 6:30 to 10:00 pm, and the entire event will be staged and operation by Admit One.

"We're hoping for anywhere from 1,000 to 2,000 people to attend," Mr. Parker said. "(The Police Brotherhood) will handle all the crowd control ... and Admit One is paying for the police details, security, and lifeguards."

Mr. Parker added that tickets will be sold via telephone solicitation, and additional revenue will be generated from the sale of advertisements in a program booklet and through local vendors.

Upon seeing a diagram of the stage set-up, the Selectmen were concerned about the abutting

property owners near the beach. "It might be a good idea to notify all the abutters beforehand," Selectman Winters said. Mr. Parker agreed to contact all the nearby home owners in person to ensure that they know about the event. With that, the board agreed to allow the Marion Police Brotherhood to use Silvershell Beach on July 1 for this purpose, with Selectman Dickerson abstaining.

At 7:40 pm, the board met with John Rockwell of the Open Space Planning Committee to discuss the status of the committee's ongoing work. Mr. Rockwell noted that a questionnaire which had been sent to Marion residents had been tabulated and the committee has established the following goals:

- To keep 24 percent of the Town of Marion in permanently protected open space
- To keep the recreational opportunities they have, and improve access to them
- To maintain the current mix of uses for Marion's waters

Mr. Rockwell noted that the committee is now in the process of collecting "Acquisition Criteria" via blue postcards from local residents. This criteria will later be prioritized and used to determine how the town and/or committee might best acquire land for open space purposes.

The Board of Selectmen thanked Mr. Rockwell and his committee for their excellent work thus far. "I want to commend you and your committee for all the time and effort you've put into this," Chairman Schaefer said.

Dennis Luttrell informed the Board of Selectmen that the Buzzards Bay Action Committee and the Town of Marion had been awarded a grant for the Holmes Brook Restoration Project in the amount of \$50,000. The grant is also dependent upon a \$1,000 match in funding from the town, which must be included on the next Town Meeting warrant. "The competition for this funding was particularly fierce," Mr. Luttrell said. "I'm very glad to say our grant application was well-received."

There being no further matters to come before the board, they voted to adjourn for the evening at 8:08 pm.

A regular meeting of the Rochester Board of Selectmen was called to order on Tuesday, February 28 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes and Administrative Secretary Shirley Ferreira. Selectman Michael Murphy was not present for the meeting.

After approving the minutes of the February 21 meeting of the board, with some minor corrections from Selectman Hawkes, Chairman Hughes cited under notices for the week that a Board of Appeals Hearing will be held on Thursday, March 9 at 7:30 pm regarding property

The board then voted to sign and approve the payment of several outstanding bills for the Fire Department including Koczera's Discount Oil, Capeway Construction Company, and AT&T.

Under Old Business for the week, Selectman Hawkes informed the board that she heard the Town of Fairhaven was not interested in the now-defunct Ward LaFrance Fire Engine. Last week the board voted to donate said engine back to Fairhaven as a museum piece for use in parades. "I heard through someone in the department that they really didn't want (the engine)," she said. "I found that strange ... and I just wanted to know about it."

Chairman Hughes agreed to look into the matter.

The board also briefly discussed the progress of renovations at the Communications Center. "We're getting all the bills paid now," Chairman Hughes said. "And I'll be checking with (Town Accountant) Claudette Coutu to see what funding remains to finish the work."

Selectman Hawkes also wanted to know if the position of Chief Dispatcher with the Communications Department had been posted. Last week, Scott Ashworth submitted his resignation, and the board agreed to send notification to all Communications Department employees of the vacancy.

"I just wanted to know what the proper procedure

was for filling a departmental vacancy," she said. "Shouldn't it be posted?"

Chairman Hughes explained that all department members had been personally notified via the Selectmen's office, but if she felt more comfortable in posting the position, that could be done as well.

The board then voted to sign and approve, via majority vote, the town's financial statement recently completed by the firm of Rodrigues, Guckin and Tobojka.

Chairman Hughes then asked that a letter be sent to Fire Chief Joseph Clapp asking him to submit copies of the payroll vouchers he's been submitting to the Town Accountant so that they might have backup copies. The motion was passed via majority vote.

Chairman Hughes also asked that Harry Brown be contacted to find out if the town is prepared to go online with the new E-911 emergency telephone system. This new system will be integrated with the new Communications Center once it is up and running.

The board noted that Ms. Ferreira had checked into applying the dividend the town received last week from Worker's Compensation payments toward their current bill. The agency agreed to apply \$1,855 of the total \$2,470 dividend toward this year's bill, and the remaining \$615 will be carried over to next year.

Under New Business, Chairman Hughes informed the board that some of the outstanding Fire Department bills cannot be paid due to the procurement laws governing solicited bids. As such, Town Accountant Claudette Coutu has requested to seek the opinion of Town Counsel to see what can be done to facilitate the payments. The board approved Ms. Coutu's request to seek legal counsel.

Chairman Hughes also noted that a used bucket truck is being donated by Com/Electric to the town to be shared by both Rochester and Marion. A formal presentation ceremony will take place on Thursday, March 2 at 2:30 pm outside the Marion Town House.

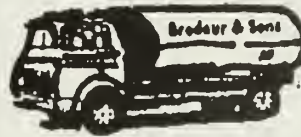

There being no further regular business to consider, the board adjourned to meet with the Finance Committee (FinCom) at 7:20 pm.

At 7:30 pm, the Selectmen and FinCom conferred on the submitted budgets under the Board of Selectmen for Fiscal Year 1996. FinCom Chairman Pat Ryan noted the town had received certification of Free Cash in the amount of \$528,726, and also received an estimate of fees from

SEMASS in the amount of \$1.9 million.

"Depending on our Cherry Sheet figures — which we won't see for awhile — and the school budget, I think we can expect to get about the same as last year," Ms. Ryan said. "We shouldn't be in too bad shape."

FinCom members questioned the purchase of a word processor or computer for use by the front office. It was explained that the computer would be used for basic word processing and clerical duties. The FinCom suggested using the current computer now in the Town Clerk's office, which is being replaced this year.

With that done, the FinCom then scrutinized a \$18,500 request for Town Hall repairs under Selectmen's Capital Expenses. The repairs included \$17,000 to replace the roof, \$1,000 to purchase a new rug for the front office, and \$500 to re-paint and varnish the Selectmen's office.

"I think the \$17,000 estimate to repair the roof is outrageous," said FinCom member Michael Bare. "There's no way it will cost that much."

But Selectman Hughes said they had solicited an estimate, and that was the figure they received. The

FinCom agreed to allocate \$19,000 under the line item.

There was also some discussion over budgeting a new part-time clerical position to assist the Selectmen's Office, Board of Assessors, and Building Inspector. The FinCom wanted to keep the position under 20 hours a week, if possible, to save money on a benefits package. After haggling over whether the position would be exclusive to the assigned duties or not, the FinCom agreed to fund the position for four hours a day, five days a week.

Adjustments were also made in the Communications Department budget and the Police Department budget — the latter of which was held over so that it might be discussed with Police Chief Walter V. Denham present.

### French Exchange Students

Twenty-five English-speaking high school students are headed to the tri-town area (Marion, Mattapoisett, Rochester) this August to improve their understanding of our culture and language. They are traveling with INTRAX (International Travel and Exchange). Living with area families gives the students a chance to learn about American family life.

Families are needed to house and feed these 14-18 year olds from July 31 to August 23. While here the group will enjoy a number of activities already planned. Host

families are encouraged to join the group on its excursions.

Local families benefit from the program. INTRAX offers travel opportunities to children of host families. Additionally, exchange students are often eager to offer their own homes to American host families traveling abroad. Families who welcome these French students into their homes learn about France and its culture firsthand. By hosting a student, families make local contacts and network cross-culturally as well.

Busy parents often find hosting a student helpful. Their own children spend valuable time with the exchange students, developing mutually rewarding friendships. Host children are also welcome to participate in all group activities: a bonus for working parents.

Local teens are encouraged to be involved. They are invited to join the group on excursions, practice their French skills, or simply spend time with the young visitors.

Specific activities planned for this year's group are two Boston excursions including visits to the Hard Rock Café, the John Hancock Tower, the Omni Theater in the Museum of Science, Quincy Market, and a Boston Harbor Cruise. Other activities are a Great Woods concert, Plimoth Plantation, beach trips, shopping and more.

The program is run this year by Carla Cafarella of Marion. Ms. Cafarella is a foreign language teacher at Old Rochester Regional High School in Mattapoisett. She

High School.

These will be available in the middle of March at the guidance departments of the aforementioned schools.

A total of four scholarships will be awarded, with three going to high schools and Tabor Academy and one to be awarded to a high school graduate who will be re-entering a post-secondary educational program after a significant period of interruption.

The re-entry applicant should contact Elizabeth F. Mercer, P.O. Box 653, Fairhaven, MA 02719, or call 999-4034. The scholarships will be awarded after evidence of a successful completion of the first semester.

### Screening Clinic in Rochester

The Old Rochester Regional School District will be offering a screening clinic on Friday, March at the Memorial School in Rochester. Children ages three and four residing in Marion, Mattapoisett, or Rochester are eligible for appointments. The purpose of this screening is to identify young children with potential learning problems.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. It is conducted by Project GROW staff in the preschool classroom. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target," call 748-0100 for an appointment. Screening clinics are offered regularly throughout the school year. Locations rotate among the three towns.

### RECYCLE ANTIFREEZE/COOLANT

Cars and Trucks

- Cooling System is back-flushed, and scale and suspended matter are filtered out.
- Toxic dissolved metals are changed to oxidized, harmless solids and filtered out of the system.
- KLEEN KING additives adjust the pH to a safe range (between 9.8 and 10.5) and add the needed inhibitors.
- Freeze/overheat protection is adjusted (to -34°F freeze point, 265°F boiling point) by adding a small amount of new antifreeze.
- The result is recycled antifreeze that meets or exceeds ASTM Standard 3306 for antifreeze performance and protection.

All this is done in less than 30 minutes.

## ORR Technology Task Force

The ORR Technology Task Force is committed to facing the challenges of the communication revolution and is interested in gaining input for our future technological plans. To that end, they are inviting members of the area communities to make a brief presentation of their comments and/or suggestions with respect to technology and its future in the tri-town schools.

The Technology Task Force has developed a draft of a Vision Statement, which reads as follows:

"As we approach the year 2000, advanced communication systems, with computers and their lifelines, have put the world at our fingertips. This communication revolution presents enormous challenges to teachers as they prepare students to live and work in the next century.

"It has become essential for students to be able to access, analyze, and communicate information effectively. They must develop the analytical and technological skills

## SECOND HOME AS REPLACEMENT

The rollover tax break allows you to sell your principal residence and defer paying any taxes on the profit as long as you buy another home that costs as much as the one you sold. If you already own a second home and plan to move into that as a replacement, you can take the same deferral as long as you purchased it within two years before or after the sale.

If you've owned that second home LONGER than the two-year envelope and desire to rehab it, can you deduct the cost of the new construction from the profit on the sale of your present home?

No matter how long you have actually owned the second home, you need only start "reconstructing" it within the two-year period to qualify for the home-sale break. Major reconstruction of the second home is treated the same as the purchase of a new home.

Each dollar spent in reconstructing the second home cuts into the amount of taxable income you receive from selling the old home.

today to understand and solve the problems of tomorrow. Technological advances offers us tools to help them do so. It is imperative that we make use of them.

"Old Rochester Regional School District is now prepared to offer its students a learning environment that enables them to meet the many challenges of their future. We envision a school system committed to providing the technological and educational means that will best mold its students into lifelong learners and capable, confident problem-solvers.

"To achieve this goal, the community needs to act immediately and decisively to create a system that provides continuous access to and training for technological innovations. This system must be integrated

**Rochester Men's Bowling League**

The boys exhibited exceptional resilience from their Valentine's Day duties to perform quite well at the Mattapoisett Bowlmor Lanes on February 15. Foster Green (365) and Beaton Cranberry were presented a dozen roses and three points by Tom O'Leary (385) and Sturtevant and Hook. Boulevard Funeral Home (Dave Belong, 382) blew a kiss to Dan Schroth Jr. (385) and the Bowling Stones in gratitude for their two point donation. Lou McKay (432) and Hartley Sawmill broke the Bowlmor Team's heart by cheating them out of two points. Bowlmor's Ben Towns (437) was quite upset!

### American Legion Serves Vets

Members of the Florence Eastman Post 280 of the American Legion recently prepared and served a spaghetti dinner for 57 disabled veterans from the Brockton VA Hospital. In the past, the Legion has sponsored an annual cookout for the vets at Ned's Point, and this year has

added the spaghetti dinner to their efforts. The planning committee for the event would like to thank the people of Mattapoisett for their continued support.

Pictured here during the dinner are (front, l. to r.) Tony Rapoza, Harvey Blanchette, and Gene Sarmento; (back, l. to r.) Chef Bill Calise, Commander Dick Waning, Bill Robinson, and Mike Lamoureux Jr.

### Tri-County Symphonic Band

A march composed by Mr. Dietzler will follow. The title, translated from the German, is "Great God With A Bright Song."

"Fantasy on American Sailing Songs" seems very fitting for this area, but was composed by an Ohio native, Clare Grundman. He is better known as an arranger for American High School bands. There are four parts — perhaps "What Shall We Do With A Drunken Sailor?" might be the most familiar.

The band will continue with "All Those Endearing Young Charms," with Frank Noonan, a member of the band, as soloist. He is a former member of the United

States Drum and Bugles and is currently director of Swansea Musicians and the National Guard Band.

Another selection will be "Taunton," composed by Mr. Dietzler for the 1976 Bicentennial of the United States and dedicated to the citizens of Taunton. There will be three parts to "La FERIA (Spanish Suite)" — "Los Toros (The Bulls)," "La Reja (Serenade)," and "La Zarguela," a sort of operetta with spoken dialogue and singing.

What would a band program be without a John Philip Sousa march? And a favorite is "The Invincible Eagle March." This was first heard in Philadelphia in 1901 and dedicated to the Pan-American Exposition in Buffalo, NY.

After an intermission, the chorus will return to the stage to sing "I Will Praise," "Jamaica Market Place," and "Camptown Races." Selections from "Man of La Mancha" will come next, including "Little Bird," "Dulcinea," "Man of La Mancha," and "The Impossible Dream."

Price and Besig also composed the final number, which was arranged by Mr. Dietzler. The lovely finale to the program will be "Say It With A Song."

### Sippican School Secretary Retires

Over seventy-five friends and co-workers gathered recently to honor Peg Griffiths for her many years of service as a secretary for the Old Rochester Regional School District and Sippican School. Ms. Griffiths was the secretary at Marion's elementary school for fourteen years following three years at the ORR District

Office.

Among those attending the dinner at Joseph's Restaurant in Mattapoisett were former principal Mike Ward, along with many present and retired staff members who wished to show their appreciation to Peg. Those in attendance presented her with a gold bracelet signifying in its many links the countless connections she made with staff, students and families. Her presence will be greatly missed.

**We thought the  
nursing home was  
our only choice.**

Last year was not one of my mother's best. She was living in an apartment, not far from here. She couldn't get out much and needed some help to keep living on her own. We started looking at nursing homes. We didn't want to but we didn't know we had a choice.

Then we heard about the Friendly Harbor Adult Day Health Center.

They have all kinds of social activities for people like my mother - all important health care services too. The Day Health program is Medicaid approved and wheel-chair accessible. They pick my mother up every morning and drop her off in the afternoon.

My mother is still on her own now - living free and easy thanks to Adult Day Health Care. The staff and participants invite you to come and visit. They will arrange a free day and transportation if you need it. Just call them and ask for Jenifer or Jacqueline.

## Marion Art Center

### Red, Hot and Cole

The Marion Art Center will be holding auditions for "Red, Hot and Cole," a musical to be produced in late June. The auditions will be held on March 17 and 18 at 7:00 pm at the center (corner of Main and Pleasant Streets) in Marion.

Directed by Paul Sardinha, the show is a scintillating mixture of mood, music and biography, celebrating the great master of melody and lyric line, Cole Porter. It is in the form of a party spanning four decades of Porter's life — his friends and the greats of his age are "throwing a ball tonight," and the audience is invited.

The cast calls for six men and six women of various ages and includes actual characters such as Elsa Maxwell, Ethel Merman, Dorothy Parker, Clifton Webb, Noel Coward, Moss Hart, Hedda Hopper, Linda Porter, Bricktop, a black woman singer and dancer, and Cole Porter himself.

Please call the Marion Art Center at 748-1266 if you have any questions or need more information.

## Woman's Community Guild

### Adoptable Animals

Time for another installment of Adoptable Animals, brought to you by the folks at the local chapter of Animal Umbrella, Inc. and *The Wanderer*. Among the new offerings this week are:

- A mother/daughter pair of cats — both calicos — who are 2 years and 8 months old, respectively.
- A very large tiger adult with short hair who has been declawed and weighs in at 20 pounds.

In the "dog house" this week is "C.J." — a beautiful husky cross sporting one blue eye and one brown eye. He is the product of a divorce situation and is now being foster cared by a caring neighbor. He needs a fenced yard with ample running room and lots of TLC. He is good with other animals and children and also makes a great watch dog.

If interested in any of these animals, please call one of the local Animal Umbrella representatives:

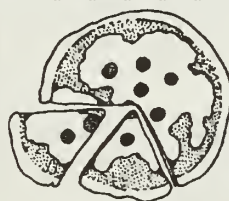

- Mary Lou at 758-9202
- Priscilla at 758-2896.

Just a reminder that all Animal Umbrella kittens have been vet-checked, wormed, and have received their

first vaccinations. All adult offerings are spayed and neutered and have also been vaccinated.

Animal Umbrella this week is asking for sponsors to help defray the medical expenses for two dogs who desperately need help. One is a Rhodesian Ridgeback who recently was diagnosed as having heart worms. He needs to undergo treatment which is very costly. He is not adoptable in this condition, but he is too nice to be put down.

Their second need is a tiny, sweet little beagle who was struck and injured by a car and has been waiting patiently for her owners to identify her so she can undergo surgery for perhaps a fractured hip. Her ten days are nearing and a decision must be made on her.

If you would like to sponsor either of these dogs, please call one of the above Animal Umbrella representatives to indicate your preference.

In the lost and found department this week: a tabby with white paws was lost in the Cathaway Lane area of Mattapoisett and has been missing for one month. She is 12 years old and female. If found, please call one of the aforementioned Animal Umbrella representatives.

Also missing is a young male all-grey long-haired cat from the Driscoll Lane area of Mattapoisett. If found, please call 758-9087.

Also lost at the Marion Animal Hospital: an eight-year-old fluffy long-haired Siamese cat named "Tammy." A reward is being offered for her return. Please call 763-2458 if found.

Available for adoption in Rochester: one dog left out of a litter of seven — a springer spaniel/black lab mix who needs a good home. If interested, please call 763-3425.

*The Wanderer* would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note:

**A POWERFUL PRAYER TO THE HOLY SPIRIT**

Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. M.G.

### College Information Night

The Old Rochester Regional High School Guidance Department will sponsor a college information night for parents of high school juniors. It will be held on Thursday, March 2 at 7:00 pm in the ORR High School cafeteria.

Barbara Meehan, John Spinale, and Susan Zartman, Guidance Counselors at ORR, will conduct a week-long group guidance program in all junior English classes. This program covers career and educational information, including the Self-Directed Search and Steps in the College Application Process. The parent information night is intended to help parents understand the steps to follow in preparing for post-secondary education. Materials will be distributed on college applications and the financial aid process. Although the program is designed for parents of juniors, parents of younger students are also encouraged to attend.

# DO IT YOURSELF?

## You'll Have Only Yourself To Blame!

Installing a gas or electric water heater is a job for a licensed plumbing professional. Only your plumber can provide the expertise required to do the job right the first time and suggest the right water heater to give you years of trouble-free service and all the hot water you'll ever need.

We recommend energy efficient, versatile water heaters from Bradford White. They are the perfect choice for the value-conscious homeowner. Bradford White water heaters come with a 2-year parts warranty, the exclusive VITRAGLAS tank lining and your choice of a 5, 8, or 10-year product warranty. Bradford White and your licensed plumbing professional, the perfect combination for your peace of mind.
